

REMARKS

In view of the foregoing amendments and the following remarks in this **supplemental** response, reconsideration and allowance are respectfully requested.

Applicants above have added Claims 31-34. Therefore, Claims 1-15 and 20-34 are pending.

The subject matter of Claims 31-34 is fully disclosed in the original specification. For instance, Figs. 1 and 2 illustrate the disclosure with a corresponding discussion on page 3, lines 3-22; page 4, lines 1-24; and page 5, lines 1-6. Moreover, Claims 32 and 34 are further disclosed in the specification in Fig. 3 (discussed on page 5, lines 7-20; page 6, lines 3-10, 22-24; page 7, lines 8-12; page 8, lines 3-8) and Fig. 6 (discussed on page 14, lines 10-24; page 15, lines 1-24; page 16, lines 1-4). Hence, Claims 31-34 do not add new matter.

The added claims each depend directly or indirectly from an allowed independent claim. Accordingly, these claims are allowable for the reason that their respective independent claim is allowable. Hence, newly-added Claims 31-34 are in full condition for allowance and no new issue is raised by the new dependent claims. An official notice of allowance is respectfully solicited.

No fee is believed to be due for this Supplemental Response. Please apply any other charges or credits to Deposit Account No. 06-1050.

Respectfully submitted,

/s/
